

**DIESEL SYSTEM FUEL CLEANER**

**DFC325**

**PRO AUTO®**

**PRODUCT FEATURES:**

- For all diesel engines including direct injection
- Removes gum & varnish deposits
- Contains a powerful Cetane Booster to increase performance
- Contains Biocide for killing & controlling algae buildup
- Helps to treat & control emissions
- Contains additional lubricity improvers

**DESCRIPTION:**

Diesel Fuel System Cleaner is a highly concentrated multi-purpose fuel treatment designed to clean both conventional & common rail diesel fuel systems. The product's advanced formulation is designed to safely clean away gum, varnish, combustion chamber deposits, and treat moisture inside the fuel system. The presence of these contaminants inside the fuel system can significantly affect the performance, economy & longevity of your diesel engine.

**DIRECTIONS FOR USE:**

Add the entire contents of the bottle to the diesel fuel tank. One 325ml bottle treats up to 60 litres of diesel fuel. Suitable for all diesel engines.

**SPECIFICATIONS:**

Appearance:	Light brown coloured liquid
Transparency:	Clear
Density:	0.82 ± 0.02 g/mL

**ORDERING INFORMATION:**

CODE	PACK SIZE	QTY/CARTON
DFC325	325ml	24

**TEST DATA & CLAIMS:**

- Contains additives which help:
  - Reduce carbon dioxide by up to 3%
  - Fuel economy savings of up to 3.6%
  - Increased engine power by up to 2.5%
- Unparalleled DW10 injector clean up / power restoration
- Efficient XUD-9 nozzle clean up and to keep clean long term
- Key additive does not contain ash, metals or halogens
- Additive used passes a wide range of industry no-harm tests such as:
  - Lubricant oil compatibility
  - Corrosion resistance
  - Flow improver compatibility

**WARRANTY:** All statements, information and data presented herein are believed to be accurate and reliable but are not to be taken as a guarantee, expressed or implied, for which seller assumes legal responsibility and they are offered solely for your consideration, investigation, and verification. Statements or suggestions concerning possible use of this product are made without representation or warranty that any such use is free of patent infringement and are not recommendations to infringe on any patent.
