

HD SPRAY GREASE

HDS350

PRO CONSUMABLES

PRODUCT FEATURES:

- Effectively lubricates conveyors, chain drives, pulleys and wire ropes
- Reduces friction and wear and has a long service life
- Penetrates & thickens to provide a tough & long-lasting lubricant
- Resists hot and cold water wash off and high temperature fling off
- Helps increase equipment service life and reduces equipment noise

DESCRIPTION:

HD Spray grease is a premium mineral oil-based product, with exceptional tackiness and is ideal for all types of chains, hoists, slides, conveyors, farm equipment, forklifts, cement trucks, wire ropes and many others. HD Spray Grease bonds effectively to a wide variety of metal surfaces, to provide a layer of lubrication to provide protection from wear and corrosion.

DIRECTIONS FOR USE:

Shake the can well, hold upright & spray directly onto the parts to be lubricated & protected. For maximum adhesion & best result ensure that the surface is as clean as possible and also warm especially important when applying to chains. Place a protective cover over plastics, rubber & painted surfaces to protect them from over spray.

SPECIFICATIONS:

Appearance:	Amber liquid
Odour:	Mild paraffinic
Specific Gravity:	0.76 @ 20°C
Flash Point:	<0°C
