

### THROTTLE BODY CLEANER

TBC350

PRO CONSUMABLES®

#### PRODUCT FEATURES:

- Effectively cleans away gums & varnishes
- Lubricates air intake components
- Helps reduce future contamination formation
- Restores fuel economy & performance
- Helps correct rough idling & stalling

#### DESCRIPTION:

Throttle Body Cleaner is a heavy duty, non chlorinated cleaner designed specifically for cleaning gums & varnishes found on throttle bodies & carburettors. Throttle Body Cleaner helps restore engine performance, by quickly removing deposits to restore engine efficiency without the need to dismantle.

#### DIRECTIONS FOR USE:

Shake the can well before use. Ensure that the engine is run to normal operating temperature and then turn off the engine. This helps soften contamination to aid in the cleaning process of the gums & varnishes. Apply the product directly to the throttle plate area, via the removed air intake duct tube that provides access to this area.

#### SPECIFICATIONS:

Appearance:	Clear, colourless liquid
Odour:	Solvent odour
Specific Gravity:	0.854 @ 20°C
Relative Vapour Density (Air = 1):	>1
Freezing/Melting Point:	<0°C
